

DOMINION SURE SEAL

The Crystal Clear New Formulation, sprays easier, dries faster and is now buffable! Now your customers don't need special training on how to spray Crystal Clear. Spray it like you would your Clear Coat. Easy to use! Easy to Spray! Easy!

Since the launch of our new formulation we have been successful selling and applying Crystal Clear for several Automotive and several Non Automotive applications! See the brief list below. Your imagination is your only limitation for a product this versatile. NOW is the time to look at the application you missed. Let's go out and get them as well as many others! If you have one not listed here please let us know so we can add it.
