BSS5 / 10057	Sure-Solv Universal Solvent Cleaner	Clear	20L / 5.28 US gal

DESCRIPTION:

Sure-Solv Universal Solvent Cleaner is a multi-purpose solvent suitable for removing contaminants and other organic materials from a variety of metal and plastic substrates. It is used extensively for general maintenance cleaning and for the cleaning of coating or adhesive application equipment and tools. For surface preparation prior to coating application during automotive repairs we recommend use of Dominion Sure Seal Low VOC Wax & Grease Remover (Stock LVAPC) or Dominion Sure Seal EZ Wipe (Stock BEZW). **Sure Solv** can also be used to clean stains and grease spots from interior upholstery.

FEATURES:

- Ready to use, no mixing
- Fast and effective
- Removes grease spots or chewing gum on fabric or vinyl
- Safe for use on most surfaces

DIRECTIONS:

1. Wet a clean, soft, lint-free cloth with Sure Solv and apply liberally on the surface to be cleaned.
2. Follow immediately with a second clean, soft cloth to wipe off contaminants while the surface is still wet. Do not allow to air dry without wiping dry. Reapply if needed. Regularly change cloths.
3. Close container securely after use.

Before using Dominion Sure Seal Sure Solv, test it on an area similar to the surface to be treated.

STORAGE AND HANDLING:

The product should be stored in the original containers between 5 and 25°C. The packaging must be protected from direct sunlight and heat. Store in a cool, well-ventilated area away from heat, sparks or flames.

SAFETY PRECAUTIONS:

Contains Solvent naphtha light aliphatic, xylene and ethylbenzene. DANGER: Highly flammable liquid and vapour. Harmful if inhaled. Wear suitable gloves and eye protection. Use under well-ventilated conditions away from heat, sparks or flames. Avoid eye contact and prolonged contact with the skin. In case of eye contact, flush thoroughly with water for 15 minutes and get medical attention if irritation persists. If swallowed, seek medical advice immediately and show this container label. **KEEP OUT OF REACH OF CHILDREN.**
