

# SURE-SOLV UNIVERSAL SOLVENT CLEANER TECHNICAL DATA SHEET

---

Stock	Product	Colour	Size
SUS / 10050	Sure-Solv Universal Solvent Cleaner	Clear	510g Aerosol

## DESCRIPTION:

**Sure-Solv Universal Solvent Cleaner** is a multi-purpose solvent suitable for removing contaminants and other organic materials from a variety of metal and plastic substrates. It is used extensively for general maintenance cleaning and for the cleaning of coating or adhesive application equipment and tools. For surface preparation prior to coating application during automotive repairs we recommend use of Dominion Sure Seal Low VOC Wax & Grease Remover (Stock LVAPC) or Dominion Sure Seal EZ Wipe (Stock BEZW). **Sure Solv** can also be used to clean stains and grease spots from interior upholstery.

## FEATURES:

- Ready to use, no mixing
- Fast and effective
- Removes grease spots or chewing gum on fabric or vinyl
- Safe for use on most surfaces

## DIRECTIONS:

1. Wet a clean, soft, lint-free cloth with Sure Solv and apply liberally on the surface to be cleaned.
2. Follow immediately with a second clean, soft cloth to wipe off contaminants while the surface is still wet. Do not allow to air dry without wiping dry. Reapply if needed. Regularly change cloths.
3. Close container securely after use.

Before using Dominion Sure Seal Sure Solv, test it on an area similar to the surface to be treated.
